

nanoflann::Metric

```
graph BT; A[nanoflann::metric_SO2] --> B[nanoflann::Metric]
```

The diagram illustrates an inheritance relationship between two classes. At the bottom is a dark gray box labeled 'nanoflann::metric\_SO2'. A blue arrow points vertically upwards from this box to a light gray box at the top labeled 'nanoflann::Metric'. This indicates that 'nanoflann::metric\_SO2' inherits from 'nanoflann::Metric'.

nanoflann::metric\_SO2
